In re: (b) (6)

IN REMOVAL PROCEEDINGS

APPEAL

ON BEHALF OF RESPONDENT: David Z. Su, Esquire

APPLICATION: Asylum; withholding of removal; Convention Against Torture

In an order issued on (b) (6) the United States Court of Appeals for the (b) (6) granted the petition for review of the Board's May 9, 2006, decision in this case, which had affirmed the February 16, 2005, decision of the Immigration Judge. The court held that the Board erred in affirming the adverse credibility finding and a finding that there was no nexus between the harm which the respondent suffered in her native China and a protected ground under the Immigration and Nationality Act, and remanded the case for reconsideration of the respondent's eligibility for asylum, withholding of removal, and protection under the Convention Against Torture.

In view of the court's order, our May 9, 2006, decision is vacated, and the record will be remanded to the Immigration Judge for further proceeding not inconsistent with the decision and order of the court. On remand, the parties should be provided the opportunity to submit any additional pertinent evidence. Accordingly, the following order shall be entered.

ORDER: The record is remanded to the Immigration Judge for further proceedings and entry of a new decision.

FOR THE BOARD
